Membership Policy and Dues Structure

Prospective New Member of the Chabot Canyon Racquet Club (“Club”):

The following Membership Policy and Dues Structure is currently in effect for the Club:

● There are two Classes of Membership: Voting and Non-Voting. Voting Memberships become participants in the ownership and operations of this member-owned Club and have voting privileges as provided in the Corporation By-Laws. Becoming a Voting Member requires the payment of an initiation fee currently established at \$2,000.00 for individuals and \$3,500.00 for families. Memberships are only available from the Club and cannot be sold or resold privately. At the time a member retires from the Club, that membership reverts to the Club subject to a possible redemption payment to the retired member pursuant to Board policy and the By-Laws. In general, redemption payments will only be made after the Club has reached a level of 200 Voting Memberships and then only if the Club is able to resell the retired Voting Memberships (the first membership to retire would be the first one to be sold). Below is a summary of the Current Membership structure and monthly dues. You should also read the Membership Application, the Club General Policies, and the Club By-Laws prior to joining the Club and paying any fees.

● **Current Dues Structure:**

Voting Membership	<u>Monthly Dues</u>
Subclasses: Single	\$104
Family	\$187 (+\$15 per person over 3 in household)
Inactive Single Family Member	\$50
Inactive Family	\$90
Non-Voting Membership	<u>Monthly Dues</u>
Subclasses: Single	\$132
Inactive Single	\$50

Chabot does not offer a family membership for Non-Voting Members.

● **Current Voting Membership Initiation Fee:** Voting Memberships will require the payment of a \$30 application fee and a one-time payment of an initiation fee, subject to possible Club redemption after resignation in accordance with the Club By-Laws, less a transfer fee of 20%. The Initiation Fee to be charged is \$2,000 for all Voting Single Membership subclasses and \$3,500 for all Voting Family Memberships. Voting members must also pay the first month's dues at time of joining the Club.

● **Current Non-Voting Membership Initial Payment Requirements:** Non-Voting Memberships require payments of an application fee of \$30, first month dues (\$132) and an initiation fee (\$250) at the time of joining the Club (total is \$412). In the event a Non-Voting Member decides to retire from the Club, they are asked to provide two months notice and the account should be current with a zero balance. All fee mentioned above are non-refundable.

● **Membership Acceptance and Application Process:** Membership applications for either Class of Membership will be accepted whenever the total memberships of all Classes and Subclasses is less than 250 or approved by the Board. Whenever total memberships of all Classes and Subclasses equals or exceeds 250, applications for Non-Voting membership shall not be accepted, except if approved by the Board. Prospective members may then join only as Voting Members. A dated waiting list will be maintained and in the event that total memberships again fall below 250, or if approved by the Board, prospective applicants who would like to then join as Non-Voting Members will be contacted in the order that they appear on the waiting list. Consideration for either Class of Membership requires the completion of the Club's Membership Application form and the payment of a \$30 non-refundable application fee.

● **Special Offer to Current Non-Voting Members:** Existing Non-Voting Memberships may convert to an Voting Membership by making a 20% down payment at the time of the conversion, followed by twelve equal monthly installments of the balance, without interest. If such a payment plan is chosen and all payments are not made, the Club shall have no obligation to repay any of the partial payment received.

I (we) have read the above policy statements as well as the By-Laws, the Membership Application, and the General Club Policies and understand and agree to the provisions thereof regarding this application for membership in the Club. It is understood that if there is any conflict between these policies and the provisions of the Membership Application form, the provisions of this new policy shall control.
