

Chabot Canyon Racquet Club USTA Team Guest Policy

March 16, 2022

To help field complete lineups throughout a USTA season, Chabot USTA teams may include guests on their rosters who are not members of Chabot.

- ☐ Team guests must pay a \$75 team fee by check or cash to Chabot Canyon Racquet Club.
- ☐ The team fee provides a guest with the following:
 - One practice pass for each week of the USTA season (length of a season can vary by age group, NTRP level, etc.).
 - Ability to attend team practices at Chabot (must be accompanied by a Chabot team member).
 - Ability to compete on Chabot USTA teams throughout a specified season.
- ☐ Team guests must sign a liability waiver that is valid from the date of the team fee payment to the end of the team's USTA season.
- ☐ For each team practice, team guests must check in at the front desk and turn in a practice pass.
- ☐ Team guests may only practice during club hours and may not reserve courts.
- ☐ If a team guest has used all available practice passes:
 - A Chabot member can use a guest pass for the guest to practice.
 - The team guest may practice for free on Fridays after 1:00pm.
 - The team guest may pay a \$15 guest fee to practice.

Please observe this policy so that we can continue to have a flexible guest policy to support our Chabot teams!
